

PHILIPS

PicoPix Max One

PPX520

PicoPix Max's little brother, the new PicoPix Max One displays movies and more in true Full HD 1080p high-definition sharpness*. The picture and colors remains lifelike thanks to the 4 Channels LED and text is crystal-clear. The built-in 4h battery gives you the time you need to binge watch your TV shows in the bedroom, finish it in the living room and even be moved to the kitchen or outdoor for a family gathering. This new portable projector offer a super bright image like the PicoPix Max! With its electric focus, digital zoom and auto-keystone, quickly enjoy a perfect and clear video wherever you project. The USB Type-C port delivers in a simple cable fast data, audio and video to connect your laptops (Mac and Windows Ready), smartphones or tablets. Rated to last 30,000 hours, the PicoPix Max One light source will display amazing, vivid picture for years to come.
